

How to register for a course in AYSOU / ETRAINU – Updated August 2022.

These instructions are for registering on a desktop/laptop computer and not a smart phone.

***** Note the interface is constantly changing so it might be a little different.**

You must first be registered as a volunteer in our current program at our website aysoregion118.com (or your own region's website).

Must do volunteer registration first. Log into aysoregion118.com (or your own region's website), then click on my account under your avatar at upper right corner of your screen, or on the left side column of your screen, then click on volunteer at the left side of your screen, then click on find volunteer roles. Find a role in the current season. Complete the volunteer form (must use your LEGAL name) and E-Sign. The volunteer system may send you an email from Sterling Volunteers for further verification and completion of your background check. You must NOT ignore it. It may take a few days to complete your background checks so do not wait till the last minute if you want to sign up for a course. Your region may offer to cover the background check cost for you so look for that option when you are completing your volunteer form. If you forgot your log in, look for the Forgot password link. Avoid creating more than one account, you may confuse the system.

After completing your volunteer registration, saving your work and completing your background check, the AYSOU link will appear on your volunteer page so you can log into AYSOU through the link on the website. If you have not completed the volunteer process and passed the background check, the AYSOU link may not appear for you.

The screenshot shows a user interface for a volunteer registration system. At the top, a dark blue header contains the text "Welcome back, Fukuyuki Puckett! Your email address is fuku@fpuckett.com." and navigation icons for shopping cart, notifications, settings, and user profile. A "Register Now!" button and a "Logout" button are also present. On the left, a sidebar menu includes "My Account", "Calendar", "Volunteer" (highlighted), "My Orders", "Messages", and "Home". The main content area is titled "Important information from AYSOU" and features a "Find Volunteer Roles" button. Below this, the "My Roles & Certificates" section displays a user profile for "Instructor" with ID Number 30682-909673. A blue bar indicates "Volunteers Registration MY22-23 30682-909673" and "Board Member". Action buttons for "Details", "Delete", and "AYSOU" are shown, with the "AYSOU" button circled in red. At the bottom, a table header for "Region 118 Area 7E" is visible, with columns for "Certification", "Expiration Date", "Status", and "Compliant".

Note: If you do your volunteer registration as an additional account (subaccount) holder under another person's account, it might have trouble in showing you the AYSOU button. If that occurs, please call - *Sports Connect Support at 866- 672-1067.*

To sign up for a course, click on the AYSOU link and it will automatically log you into AYSOU/ETRAINU. It may take a few seconds to transfer you into the AYSOU/ETRAINU system so be patient.

If you still can't log in to AYSOU, go back to your volunteer record in your region website and click SAVE or UPDATE, then try again.

After you are transferred, you will see the Learner screen in AYSOU/ETRAINU

Regional Referee Companion Course - Field Session

EVENT DESCRIPTION

This is the in-person companion course intended to be taken by entry-level referee volunteers after they completed the Regional Referee online course. This course will provide the referees with the additional information, practical training, and experience to help them acquire the confidence to start their referee career in AYSO. This is your opportunity to get your questions answered by an instructor.
